

Notice to the Public.
The two leading magazines of the Pacific Coast, the Pacific Monthly and the Sunset, have been consolidated under the title of "Sunset—the Pacific Monthly."

It is the intention of the publishers to spare no money nor effort to make Sunset—the Pacific Monthly a credit to the West and a magazine of national value and importance.

To introduce it to new readers, we will make the following special offer: Send 50c in stamps, and we will put your name on our subscription list for the next four months, and will send you free a copy of the superbly illustrated Mid-Winter number, and also the famous Sunset Indian poster, securely packed in a mailing tube. It will make a beautiful ornament for your front room or den.

Send your order to Fred Lockley, Northwestern Manager, Sunset—the Pacific Monthly, Portland, Oregon.

Kidney Diseases Increase 160 Per Cent in the City of Chicago in one Generation.

One of the most appalling facts brought to light by the statistics of the United States Census Bureau, is the increase of Kidney and Bladder Diseases. In less than one generation these dreadful ailments have increased 167 per cent in the City of Chicago and in much the same ratio in other parts of the United States.

These diseases arise almost wholly from the process of straining the human machine. They may be due to overfeeding or under feeding, to over work or under work—in fact to any of those irregularities in living which the average man or woman subjects the body to.

Every three minutes the entire blood supply passes through the kidneys which act as very fine filters separating the waste from the pure blood and eliminating it through the bladder.

During the years of hard work the Kidneys break down causing Bladder troubles, Brights Disease, Backache and a dozen other ailments which almost every one knows only too well. The weakness will first be noticed by pains in the back, scanty or too frequent urinating, aching limbs, irritability, continuous thirst, irritation of the Bladder, sleeplessness and symptoms of allied nature; and later, as Brights Disease, by intense paleness and wasting away of the tissues.

After years of careful study and laboratory work, the Chambers Medicine Company has perfected a Kidney and Bladder Pill, of greatest curative properties, relieving almost at once and restoring the organs to their normal condition.

Chambers' Kidney and Bladder Pills may be obtained at any reliable Store, and are always guaranteed to cure or money refunded.

NOTICE—United States Land Office, Salt Lake City, Utah, Feb. 24, 1912. To Whom it May Concern:—Notice is hereby given that the State of Utah has filed in this office lists of lands, selected by the said State, under section 6 of the Act of Congress, approved July 16, 1894, as indemnity School lands, viz: Lots 1-6 Sec. 3 Lot 3 Sec. 4, and Lot 3 Sec. 5, T. 36 S., R. 15 W., S. 1, Meridian, Serial 09217. Copies of said lists, so far as they relate to said tracts, by descriptive subdivisions, have been conspicuously posted in this office for inspection by any person interested and by the public generally. During the period of publication of this notice, or any time thereafter, and before final approval and certification, under departmental regulations of April 25, 1907, protests or contests against the claim of the State to any of the tracts or subdivisions hereinbefore described, on the ground that the same is more valuable for mineral than for agricultural purposes, will be received and noted for report to the General Land Office at Washington D. C. Failure so to protest or contest, within the time specified, will be considered sufficient evidence of the non-mineral character of the tracts, and the sections thereof, being otherwise free from objection, will be approved to the State. When Your Finger-Tip Taps the Key—What Happens?

Your most delicately sensitive nerves direct the most delicately responsive mechanism of the

L. C. Smith & Bros. Typewriter

(BALL-BEARING, LONG-WEARING)

Key-lever, typebar, carriage (and shift, if you write capitals)—really all essential operating parts of the typewriter—leap into action and perform their functions with the perfect ease, smoothness and absolute precision of ball bearings, made and adjusted with scientific exactness. The nerves of this typewriter are sensitive to the nerves of your finger tips, and just as instantly responsive as the finger tips are to the brain.

This immediate, smooth, sympathetic action, duplicated in no other writing machine, is easiest for the operator and most advantageous to the machine. Both wear longer.
